Missionary of the Week

The Sparks Family – Philippines

We started this year looking at what could have been a disastrous year for us and the ministry. We had no working auto, a bad roof on nearly half the house, medical issues, immigration issues. Now as of April 5, we have a car, repaired roof, and we are doing better health wise. We have been told not to worry about our immigration status as we have filed all the proper paperwork. Please pray that we will be able to purchase a lot about 150m² in Quinapondan. This purchase would get us a permanent foothold in Quinapondan. Thank you all for your prayers and faithful support. More than words can describe!
